Dear Patient,

This letter is official confirmation that you are registered onto an **NHS commissioned programme**, which consists of an initial telephone assessment and a series of **21 sessions** lasting between **15 and 30 minutes**, delivered over a period of **12 months**.

This is a clinically supervised programme, it is essential that you attend these appointments to ensure your safety and help you to get the best results from the programme. If you are required to take time off work to attend these appointments, please share this letter with your employer.

Cancelling and rescheduling: If you are unable to attend any of the appointments, please contact us as soon as possible. You can contact us over the phone on 0333 577 3561.

Non-attendance: If you do not attend two consecutive appointments without informing us of your absence, you may be discharged from the programme.

Yours sincerely,
Xyla
